Resolved. That we ask the manufactuhelp pay our taxes, be fed from our farms, pay their workmen American wages, and share the benefits of our free institutions; and we welcome them to a full and fair en-joyment of the benefits which they claim we enjoy by reason of our protective policy, and consider such fair compensa-tion far more bonorable than the effort to reduce our people to national ruin by the pread of free trade sophisms among us, These resolutions are skillfully

drawn on the principle of being as

full of fallacies as they are of words. We have had "protection" for upward of forty years, and the benefits mer months can have the DAILY APPEAL have gone into the pockets of the mailed to their address at the rate of twenty- owners of factories, while the operatives have been kept poor, and their wages have been forced down, instead of going up as the result of protecof the people of the country who pay laboring man, who must pay two dol-

manufacturers of Europe to share the blessings of the protective system wages of labor? Has not capital triunder the protective system it gathers the rich harvest from the labor and tution, the peace of the nation, and toil of the poor in this! If wages are to be increased by importing manufacturers and manufacturing capital, bernext, a Governor is to be elected— as the authors of these resolutions evidently intend should be underin the place usurped by that de- stood by the laboring classes to whom their sophisms are addressed, what is the reason that wages are lower in has stamped with His indellible and | England to-day than in this country? unerring signet THE VILLAIN; Whose Is it not reasonable to suppose that ears have become the ordoriferous in proportion as we approach the consouce upon which canibals feed, and dition of that country as to manucurious and frolicksome men tug and same level? The New England States pull with as much relish and impunity as Jupiter gnawed, nibbled and Mr. Webster's policy at the expense from a demoralization so intense and sported with the dugs of the kind and of the West and the South, In us maintain our organization with to abandon the protective principle, the American States. God alone rigid inflexibility, and see to it that and after ten years to come to an ad knows what will be the issue. In a none but true, tried, able and efficient valorem tariff, confined and limited to recent conversation, Chief Justice the necessities of the revenue. He Chase admitted the flood of corimportant offices. The contest will yielded for a time to Mr. Webster's ruption which had deluged the soon be ushered upon us. Let us be views, in the apprehension that the land, and deplored the calamities prepared—and again fight for the immanufacturing interests of the country likely to come upon us. He suggested decline and fall; likewise everything perishable principles which have reseastly brought victory to our glorious standard. The war cry of Democrats, is, "To your tents, O Israel." Let us push on the column, nor cease our efforts until the last foe to the Constitution and the standard as false and preposterous by the manufacturers themselves. But now they have grown rich in which now all these elements are the standard. The war cry of Democrats, is, "To your tents, O Israel." Let us tained even by Mr. Wellster, and was repudiated as false and preposterous by the manufacturers themselves. But now they have grown rich in which now all these elements are the standard. The war cry of Democrats, in which the honest people fashion, be it a bonnet, an article of furniture, or a watering place. At first, 'tis all beauty to the eye, then salvation of the country may be brought to rush together in sufficient numbers for the salvation of the constitution. This is the mission of the Democratic party, in which now all these elements are the sun, which seems to stand alone. But the idea of protection in 1870 was not, then enter-tained even by Mr. Wellster, and was repudiated as false and preposterous by the manufacturers themselves. But now they have grown rich in which now all these elements are the sun, which the sun, and the stroit nor enour, is an article of furniture, or a watering place. At first, 'tis all beauty to the eye, then salvation of the country may be brought to rush together in sufficient numbers for the salvation, and other varieties of the country may be brought to rush together in sufficient numbers for the struction, and other varieties of furniture, or a watering place. At first, 'tis all beauty to the eye, then struction, and other varieties of the country may be brought or ush together in sufficient numbers for the salvation of the country may be brought or ush together in sufficient numbers for the sun, which the sun, which the selection in 1870 was not the country may be brought or ush to stand alone. But the dead of product or the sun, push on the column, nor cease our efforts until the last foe to the Constitution, to despotism, centralization and liberty shall expire, and our unforliberty shall expire, and our unfortunate State ledly "redeemed, regenerated and disentification foul blot of proscription and intolerance which would fasten itself upon the people. Political parties are as small majorities. Overwhelming numbers is sometimes the cause of disaster. There must always be fear to disaster. There mus disaster. There must always be fear twillions for their benefit? They pass ment of the tariff, the disposition of the tariff, the disposition of the public lands, payment of the public lands out the full party strength. As case have effect in Europe. But they public debt, and questions of finance fined,"
